**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner that supports broadband competition.

I rely on a local company in Berkeley, CA to provide great internet access at an affordable cost. I have to pay for multiple internet connections because of my business and ATT connection is more than double the cost in each location.

My local company LMI provides wonderful customer service and jobs in our area.

Please do not cut off our access to these smaller competitors.

Thank you.
